

DESTROYIT® HARD DRIVE SHREDDER

Quickly and efficiently destroys hard drives, optical media, and assorted electronic devices including smartphones.

Security level 0-5 38 mm x random particle size
Max. drive thickness: 1 inch

Specially designed for office environments. Destroys up to 8 standard size hard drives per minute. Produces a 38 millimeter particle width. Integrated HEPA filter. Automatic reverse feature prevents jams. Safety feed chute keeps the operator's hands away from the cutting chamber and prevents particle "fly-back." Automatic power cut-off when collection bin is full or when cabinet door is opened. Quiet operation. Mounted on heavy duty casters.
